One day seminars are on Saturday from 9 am – 5 pm. Dress is casual & sweats are fine!

The Saturday 9:00 – 5:00 class is FUN! Dress to be on the floor. Sweat pants & t-shirts/sweatshirts. No buckles or metal on shirts or pants. Ladies, please no halter tops, sports bras, low cut tops or spaghetti straps. We will show you the correct movements, music and exercise to develop your child's brain. We will be moving around and also doing some floor work. Proper attire is necessary and you are welcome to bring a yoga mat.

Children are not allowed at the event but nursing infants are. Parents' attention must be on the information at all times and we can have no distractions. Please arrange for your own childcare.

We will break for lunch and a couple snacks. There will not be enough time to go out to a restaurant. Feel free to bring a drink of your choice for lunch and to drink throughout the day. We will take short breaks throughout the presentation.

Please direct any questions to Virginia Largent at Virginia@wellconnectedbrain.com, 757-717-7187, office of the Virginia Beach School of the Arts.

What you will learn will dramatically impact your life in a most wonderful way. But in order for dramatic changes to occur, it will require a commitment from you to supervise/ do the easy exercises daily with your child for 30 minutes for 8-12 weeks and in some cases even longer. There is nothing more precious than your family. This will become a special bonding time that we hope you treasure for years to come. But most importantly, you will be giving your child the opportunity to reach his awesome potential and enjoy life to its fullest! Your child's success and happiness is our goal.
